

Blasting Permit Checklist

- A Blasting Permit must be obtained from the City of Woodstock's Building Department prior to any blast taking place.
- All blasting sited must meet the requirements of [Georgia 120-3-10](#) along with any amendments.
- The site is required to be inspected by a Fire Inspector from the Fire Marshal's Office prior to blasting.
- Blasting Permit Applications must be submitted to the permit office before inspections can be scheduled.
- The following must be submitted along with the Blast Permit Application:
 1. Federal license (Level III Competency Card)
 2. State Fire Marshal Permit
 3. Certificate of Insurance
 4. Location map and directions
 5. 30 day Blasting permit fee \$200.00
 6. Hold harmless letter to the City of Woodstock
- Owner/occupants of occupied structures within 750' of the blast must be notified of the blast in writing, 48 hours prior to the blast.
- The blasting contractor must notify the City of Woodstock Building Department 24 hours prior to blasting. Notification shall be made by calling 770-592-6036. If the line is not answered, a message will serve as notification.
- The City of Woodstock may require additional information.
- Blasting Permit is valid for 30 days from the application approval date.
- Inspectors may wait for up to 30 minutes beyond the scheduled blast time, before rescheduling the blast and charging a \$25.00 re-inspect fee.
- A re-inspection fee of \$25.00 will be assessed in the event that an inspector arrives on site and the blast has been postponed or cancelled and the contractor did not call 770-592-6036 to notify the City of Woodstock that the blast has been cancelled or postponed.
- Any re-inspection fees assessed to this permit must be paid to the permitting office prior to scheduling the next blast.
